

PARTNERING FOR HEALTH

The Crystal Gala Foundation's \$70,000 gift completed their \$1 million pledge to the Crystal Gala Breast Health Unit at Abbotsford Regional Hospital.

Occupational Therapist May Chan celebrated her retirement from Abbotsford Regional Hospital by making a \$1,000 donation. May also bought wheelchairs for occupational therapy in Abbotsford, Chilliwack and Mission.

The 15th Annual Run for Mom in 2014 raised \$19,500 for the maternity unit at Chilliwack General Hospital. The funds were used to purchase 3 Etonox systems for pain relief.

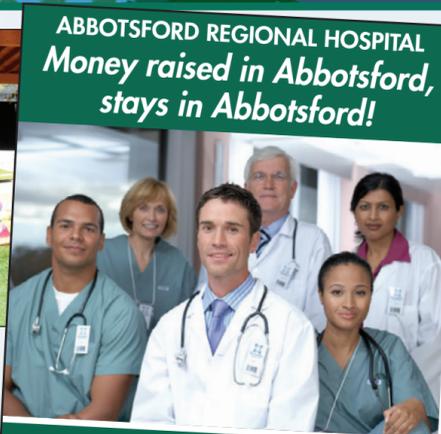

The Fraser Valley Real Estate Board gave \$5,000 to the Mission Possible campaign in support of the Residence in Mission. "As realtors, we understand the importance of home," said Roy Werger, FVREB president.

Mia Gill proved that you're never too young to start giving! She donated money that she received for her birthday to the pediatric unit at Abbotsford Regional Hospital.

The Fraser Valley Shrine Club gave \$5,000 to Chilliwack General Hospital maternity for a blood pressure machine and \$5,000 to the Live 5-2-1-0 Forum Project in Hope where they were on hand (along with Tre Player of the BC Lions, right) for the activities.
