September 4, 2025
Sandpiper Golf Course

Fraser Valley Health Care Foundation is excited to announce the 10th Annual Golfing Fore Your Hospitals Tournament, proudly presented by RBC Wealth Management - Dominion Securities. This event supports hospitals and healthcare services in the eastern Fraser Valley. We extend our heartfelt thanks to returning sponsor RBC Dominion Securities - Wealth Management for their continued commitment to health care and invite you to join us on Thursday, September 4 at Sandpiper Golf Course for an unforgettable day on the green.

Since its inception in 2016, the tournament has successfully raised over \$600,000 to address the most pressing equipment needs in the Eastern Fraser Valley. Proceeds from this event will directly benefit your local hospitals.

With the format returning to a shot-gun start, we encourage you to secure your spot before we sell out at 144 golfers.

There are numerous ways you can contribute to the success of Golfing 'FORE' Your Hospitals:

- Consider becoming a sponsor as detailed in the attached sponsorship package
- Gather a group of four and enjoy a fantastic day of golf
- Help us spread the word
- Contribute a silent auction item
- Volunteer your time
- Make a financial donation

To register, secure your sponsorship or make a donation, please visit fvhcf.ca/golf.

We look forward to welcoming you on September 4th.

Cristen Gleeson

Board Chair, Fraser Valley Health Care Foundation

ABOUT US

OUR MISSION

Fraser Valley Health Care Foundation builds partnerships with individuals, community organizations and businesses to support our local hospitals and health care service within the Fraser Valley Regional District.

OUR PURPOSE

To further the improvement of health care in the facilities and programs operated, funded or endorsed by the Fraser Health Authority within the Fraser Valley Regional Hospital District through providing support for equipment, education, research, operations, construction and development.

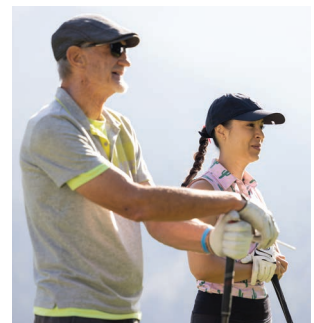

WHAT DO WE DO

The Foundation provides funding for the benefit of health care services within Fraser East of the Fraser Health Authority including much needed hospital equipment, public health, mental health and home health programs and services. This area, also known as the Fraser Valley Regional District, includes:

- City of Abbotsford
- City of Mission
- City of Chilliwack
- Village of Harrison Hot Springs
- District of Hope
- District of Kent/Agassiz

In addition to the crucial support we provide for essential equipment, we actively fund programs that support the long-term health of our communities. Whether it's raising funds to ensure our hospitals have the latest technology, helping fund staff training and education, or supporting health care facilities in any way, the Foundation is dedicated to enhancing all aspects of local health care.

Through fundraising efforts, donor contributions, and community engagement, the Foundation plays a vital role in bridging the gap between the resources available through government funding and the ever-growing needs of our health care system. Our work is not just about providing financial support - it's about creating meaningful change that leads to a healthier future for every individual in our region.
